Dear Friends/Community Partners:

We are writing to you to announce our three 2011 Alpha Phi Alpha Fraternity, Inc. scholarships that are administered in collaboration with the Lee B. Revels Scholarship and Mentoring Foundation and ask for your immediate assistance. We need your help to identify eligible high school seniors who are college-bound African American and Hispanic males in the western Massachusetts area. These scholarships are designed to assist students with their college transition, as well as recognize worthy students from the local community for their hard work, dedication to service, and overall successes as a high school student. The three annual scholarships offered are:

Clifford Flint Award for Academic Achievement
Marvin P. Lyon, Jr. Award for Leadership and Community Service
Frank Buntin Award for Civic Engagement and Social Justice

These \$1,000.00 awards will be made payable upon college enrollment and are designed to uplift, educate, and recognize those students in our community who are preparing to take the next step in their education and have excelled in the areas of academic achievement, leadership and community service, and civic engagement and social justice.

Students may apply by completing the enclosed common application and supplemental forms. Students who submit complete applications will also be invited for an interview with the selection committee in May. All materials must be received or postmarked by Friday, May 13, 2011.

All materials should be mailed to:
